“ *Paul and I have so many memories with Dale and Helen that I simply cannot pick just one. We shared so many trips to the beach for the seafood festivals, and a very special trip to Branson Missouri. We were friends for more than 60 years.*

“ It is with a heavy heart that I share this post. One of the greatest men I have ever had the pleasure of knowing, not to mention one of the best neighbors anyone could ever wish for. He has now joined his wife eternally in heaven, and I can vision that charismatic smile has returned to his face. I will miss our conversations and your advice my friend. And I guess it's OK to reveal your crappie fishing secret now..... Put the wife's poles in the "good" spot while you fish an unbaited pole so she out-catches you every time and becomes your "good luck fishing charm". Somebody has to clean them, right? Godspeed my friend.
