“Dad, I'm so glad we shared so many summers together going to Alabama from Detroit. I will take my time and remember. My first road trips were with you in the latest Cadillacs almost every summer. I always felt treasured and protected when I was with you. I am going to miss our phone conversations that were filled with your words of wisdom that I enjoyed hearing. Thank you for standing strong with me from day one. Now dad, take your rest, enjoy your heavenly walks, and I will keep you in my heart always. I love you Dad. Your daughter Cheryl.

“ Hey this is Essence. I'm happy that I got a chance to see you when I did uncle. I remember when I was little you always talked about me loving peaches. Every time I came down here to the south you said I always wanted peaches and you always took me to go get some. I'll always love you uncle. I know you and my granny in heaven having a ball! Love you forever! I know you one of my biggest supporters 💙💙💙
