“ *Stan was on the first baseball team I ever coached, he and his brother Steve. He and Steve were 7 years old and I was 18. Stan's family also lived right up the street from me. Had so many great memories of him on the ball field and off. Tough competitor even at 7 years old and left it all on the field of play. I loved coaching him as a player and loved him as a person. It's tough to lose you Stan at this young age, but I am so grateful that you were a part of my life and the times we had together. God bless you and I'll see you agin one day.*
