“ *I first met Stephanie at the Pink Pizzazz two years ago. When she entered the room at the Wetumpka Civic Center the room was full and there were some empty seats at my table. So I asked her to sit with me and we have bonded every since then. I reached out to her on last week and t was all love. She WILL BE MISSED!*

ease any sorrow s and pains and Love her like no other to carry her
the whole way! You see She loved her Husband and he loved her!
And she loved her children and she forgave her Dad and she loved
her parents and Her brothers! And all her family and Friends but

“ *I first met Stephanie at one of our Pink Pizzazz inc banquet and for a young woman fighting breast cancer she was a ray of sunshine in my life. So many people tell me that I don't look like what I have been through but Stephanie was glowing that night! She was so prophetic in her thoughts that we're going to win this battle and I have lived with that encouragement every day since! Thank you Stephanie for being a beacon for me to help others follow the path to survivorship. Rest well thy faithful servant! Love your Pink Lady, Carlita Gilbert-Daniels*
