“ *Sydney was such a good friend to Hallie Sweatt when they were in school together at Prattville Junior High School. Sydney doted on Hallie and pushed her around in her wheelchair. She had such a servant's heart for attending to others. She never forgot Hallie and continued to check up on her even after we moved from Prattville to Montgomery. She would often randomly text to inquire how Hallie was doing. Her kind heart and beautiful smile will always be treasured by this family.*

“ Sweet Syd I will always hold you in my heart for always. I am a true believer God only sends special children to special Moms and you got one of the best. My love for this family began so many years ago and always will remain.  
God reached for you and you left and we can only imagine how wonderful it must have been sweet and strong girl.  
You were the best spend the night company I ever had. We will miss you but know in our hearts you are well now and suffer no more. Praise God for the knowing and the comfort of a forever life with Him. Rest my sweet and we know you are now our angel.

Love Always,  
Martha Kaye
