“ *There are no words to the memories we shared. Growing up together we shared so many wonderful times. And a few bad but through them all. We held on to our love for all our children and grandchildren. Nothing takes their place. Your love and your candle burns forever in my heart. You will be missed more than I can explain. Toodles my sweet ,loving caring aunt and best friend, until we meet again on the other side. Forever your niece Melisa (Michelle)*
