“*Oh Terri, I've been thinking all day about what I could say. What a close childhood we had, you, I & Steve during a very tumultuous time. The bond & the love we shared stays with me still today. I know you're in the Angel's choir & if I focus, I'll hear the beautiful voice that all you kids had, courtesy of your beautiful Mother. I know you're on that Sentimental Journey you've been destined to travel. Love to your precious family.*
