“ *My Son-In-Law Terry, served honorably in the military, proudly giving a large portion of his life in defense of our country of which we are so grateful. During Terry's last visit to our house in Texas he was accompanied by his son Will and we enjoyed discussing so many memories of the past. He will always be remembered as a kind and compassionate person.*

“ *My most treasured memories of Terry were summer days spent at the backyard pool in Selma with 5 children (his and Cheryl's 3 and our 2). He had unlimited energy playing “chicken” and throwing the kids around the pool. I loved when he called me “big sis”. My heart also swells when I remember how lovingly and tenderly he took care of Cheryl after her cancer diagnosis. No one could have taken better care of her than he did. Their love for each other and their children was unparalleled. I believe his legacy lies in how deeply he loved his family.*
