“ *My beautiful friend. You came into my life while I was the Editor of the Prattville Progress as my General Manager. It was time of turmoil with the company, but you stood your ground and defended your employees completely. I admired your strength of character, dealing with others who found themselves lacking. You were a bright shining ball of light and truly an inspiration. You did all of it so marvelously with extreme fashion sense. lol. I don't believe love can die. You will live on through all of us that loved you, and especially in Earl and Sara. We will speak your name and often. I would tell you to rest well. But I know better. I have no doubt if Heaven has committees you are chairing one now. You will be busy.*

“ I was very shocked today when I called Alfa and was told of Lynn's passing. Lynn was the sweetest and most helpful person I have ever known in any business. She always answered every question I had with kindness and perfection. I will surely miss Lynn as many others will, but I know that we will meet again in heaven.

“ *To my beautiful cousin, Lynn. I will always cherish the good times together. Though we lived miles apart as soon as we were together it was like we had just been together. I guess we got that from our Moms. Now it's time for you to rest and be with family in heaven. I will always love you and miss you. Goodbye Cuz until we see each other again.*
