“ *I loved Uncle Tommy, aka T-Bird. So many fun memories with him in the last 20 years. From the trip to New Orleans for a motor cross event him and Sterling wanted to go to. We ate at Popeyes, for him was the first time, we all three got the spicy and he said that chicken was so hot that it must have played in the pepper patch. Then, one time we went riding on Lester's boat and I was sitting on the cooler seat. We were going through the channel and we met a huge boat or barge, can't remember now which it was, but I got thrown off the cooler. I screamed why you got to go 500 knots? He laughed so hard at me. Almost every time I saw him he would get tickled thinking about that boat ride. Just imagine you get to see your Goldie. RIP Uncle Tommy, I love you and will miss you.*
