“ *My dear friends, My heart just ached when I heard about Doug. He and Virginia were like family to us and their love for each other was so evident. Doug loved to pick at Virginia. She'd always say "Oh Douglas stop that and just grin." I think the Doug we knew and loved died when Virginia did. He didn't know what to do without his best friend, his children's wonderful mother and his own devoted wife. Charles and I love all of you and even though we didn't get together like we used to, we will still miss both of them so much. You children, grandchildren , and great grandchildren have so much to be thankful for . The great heritage of love.*
