“ So sorry for your family's loss. Everybody knows what a good kind man he was. He never hurt nobody! I'll always remember how happy he was the day he married Kristie! Luv of his life! He will be so missed. Our hearts ache for the Carr family. Hopefully they will catch the lowlife coward who did this real soon. Justice for Tony Carr!

“ Tony Carr was not only a friend of mine but like my own family! He loved helping me work on my racecars well he never showed any affection but I knew he enjoyed helping me lol I used to go over there daily and mainly on Saturday mornings to mount tires for the racecar and always cut up with him and made him laugh ! He'd always tell me when I pulled up at his house if he was working on some cars he bought to resale “ you in or you out “ I'd always say I'm out lol I'd ask him how much for a car just to hear him say “ small price to pay “ after he would tell me The price!! Every time I'd see him I always walked up to him and say something retarded to make him laugh and throw my arm around him and in a joking way (he was old school and firm) say I sure do love you old man he would just laugh at me .. he was a great man , mechanic , husband and father! And friend! He will truly be missed and loved I'll never forget him and will continue to race and represent his business like always!
