“ *I have known Trancis a king time. Our children are married and we share grandchildren.
I had the opportunity when we were both in Atlanta last year to spend the weekend with her and celebrate our grandson's graduation.
We caught up on life happenings, laughed together, watched tv and had naps.
I am thankful for that time with her.
She was humble, kind and quiet mannered.
May she rest in peace*

“ We would play spades, video games, and just hangout at the Dees home in high school in Anchorage, AK and we'd eat up all the Tostitos chips and Tang but never told us to stop or ever complained about it. She was always welcoming. One night she decided to play spades with us and proceeded to whip our butts to all of our surprise. She let us be kids, and treated us kindly, and gave us an inviting place to grow up. She will be missed.

“ Such a sweet lady. She and I worked together for a short time in Finance/Accounting. She worked hard and never wanted to take a day off. I know she will be missed.

“ While working as Trancis's reviewing supervisor, she was always willing to take direction and had a very humble nature. She was a joy to work with and had a beautiful smile. She always tried her best. I am so sorry for the family's loss. I believe you will see her again.
