“ *He was one of the best men I have ever known. He was my boss and my mentor and he yay Ugh energy so very much. But most of all he was my friend. Without his love and support I would not be where I am today. I am eternally grateful to him. I will miss him every day until I see him again.*

TM and I worked together at ADRS. He was my boss and hired me and gave me my start with rehab. He was a good boss and friend. He had a heart of gold and cared deeply for persons with disabilities and their needs. He was a lot of fun too. I would ask him how he was doing and he'd say I'm doing groovy. Prayers for Doug. So sorry for your loss.

“ I met TM thru my work with ADRS. I interviewed with him for a clerical position and we hit it off from that moment. I got the job with him and I worked with him with the VR division until he took the position within our department with the SAIL Division. But, we both were/are Tide fans and shared the love of being TIDE fans. We remained friends after he transferred within our department ... actually just down the hall. :-) TM loved the Tide and when it became time for the Iron Bowl... he loved pulling pranks on employees within our department who were Diehard Auburn Fans and boy there are some dozzies. LOL It was always entertaining .... especially before, during and after the Iron Bown. After he retired, myself and friends would meet him out for supper about every 3 or 4 months... just to catch up. I will truly miss him, but I am very grateful that he passed thru my life. And I know that I will always hear him saying.... Roll Tide!

“ We miss you cheering on the Tide at Bryant-Denny. May you rest peacefully except when the Tide is on the field it is then that we need you to help the Tide Roll.
