“ He was my uncle. I do not think I ever met him but he was so good to his sister, my mother. When we had little money he sold us a house that he owned for far, far less than it was worth, he essentially gave it to us. It allowed us to live in a decent neighborhood and allowed me to go to a good school where I made good friends and had a better start in life. My mother was always so thankful and later, as an adult, so am I.

“ *Our favorite memories all include your wonderful family. Your mom and dad’s house was our kids favorite place to go every year. They all still remember our treasured times with your sweet family. We love you and will keep you all in our prayers.*
