“ I pray this message brings comfort to Vincents mother as well as to the family.

"Held in Gods Embrace"

*To the mother who carried him To the family who loved him so.
There are no words deep enough for the pain you now must know.*

Yet even in this shadowed hour,Where tears like rivers falls, God is still a present help ,a refuge through it all.

For Vincents life was not in vain, nor lost within the night but carried into glorys arms,wrapped in eternal light.

Though hearts are heavy,eyes are dim, and questions fill the air,there is a God who sees it all and holds you in his care.

*May he mend every broken place,restore what grief has torn,and whister peace into your soul.
with each new rising morning.*

May blinded eyes begin to see that God is still in control,that even through this tragedy he is redeeming souls.

For joy will come,though not today,and comfort will find your door,because the love of God remains forever,evermore.

Mother Grider rest in Gods are as he carry you throug this pain and know that the same God is holding Vincent too.

*With love,compassion,and endless prayer
May his preace surround your heart,and may his prescence be your strength while you heal from this what I'm sure feels like a nightmare you cant wake up from.*

With continued love and prayers
