“ Thank you so much for loving and caring for my daddy as much as you did. The love y’all had for one another was very special and I know will always be cherished. 💕 We will make sure your memory will live on and Ellie will know how much you loved and spoiled her. I’ll never forget you took my big ole pregnant self-shopping for a baby crib and I cried because my feet swelled for the first time. 😭 It was still a fun trip regardless! All of our pool days and talks about how stubborn daddy is. Lol don’t worry, I will continue to take good care of him. We love you and miss you so much. This is not goodbye just see you later. Keep sending us beautiful rainbows 🌈

“ *My Dear Sweet Virginia I love you so much. I still can't believe you are gone. You are my world my everything and that will never change there will always be an empty place in my heart for you. I will always cherish the short time that we had together, no matter where we went or what we did we always had fun. I will miss your beautiful smile and the way you laugh when we were together. I know that you are in Heaven now with your Mom and Steve and that comforts me. Every part of me wants you here with but I know it was not Gods plan. We had a wonderful life together and I will never forget the fun times that we shared.*

*Goodbye for now my sweet baby...I love you and will miss you.
