“ *The sound of laughter that echoed when I was with my uncle is a tune I'll cherish forever, along with so many memories of the times we spent together.*
I will miss your laughter so much and the mischief in your smile.
When I feel the sadness welling up, I'll remember it a while.
For though you are no longer here, You'll never be truly gone.
So long as I have these memories, Your spirit will carry on.
So until I see your smile again, I'll hold you in my heart and mind.
Of all the many blessings However great or small. To have had you for an uncle Was the greatest one of all. You will be missed Uncle D
