“ I met Wendell when I started at Kimber in 2020. He was my supervisor. We became work friends and found he was a really nice person. He also had a dry sense of humor. We talked a lot at work. He loved going to Sandys on the weekend and taking his seadoo out on lake Martin. He was always relaxed and looked like he just back from vacation on Monday. We stayed in touch after he got laid off. Then soon after, I got laid off. If I had any question about Alabama, he could answer it. I think he was the epitome of a southern gentleman. He allowed the people we worked with at kimber to get close and become friends. I am still friends with some outside of work. Wendell and I talked about once a month and I will miss it. As I got to know him, I found what a kind man he was. He will be missed.

“ So sorry to hear of Wendell’s passing. My family lived across the street from the Rainey’s in Selma. I have fond memories of playing football and baseball in the Rainey’s backyard. Wendell was a good childhood friend and his entire family was always so kind to me. My prayers and condolences for the entire family.
