“ *I met Dean in late 1983 when I became an employee at MAX Federal Credit Union via a merger from AlaHA Credit Union. She was one of the ladies that cross-trained me on Max's customer services and collection procedures. Dean was the sweetest, kindest, most knowledgeable person and was willing to share everything she knew. Until my retirement in 2001, I knew she would always be a source to contact.*

*My sincere condolences to her wonderful family. She was so proud of each of you.*

*She will be missed by all that knew her.*

“ I worked with Dean for about 25 years at Max, she was a good friend and co-worker and always supplied us with some good banana pudding from her husband. Another of our beloved Max family, gone to be with the Lord. Rest in Peace, from Sheila Hayes, former loan auditor at Max.

“ To the family of my great friend, Dean was a beautiful and great friend we shared many memories of our children at work and outside of work. We shared many great days together at your mothers home. I know in my heart this precious friend is in heaven.
