“ *To my sweet, loving husband: Thank you for the wonderful 35 years we have spent together. I wished we could of had a few more. You had suffered so much the last few months. Your last wish was to leave the hospital and come home. God granted you that wish. I was so thankful to be by your side when you took your last breath. We know you loved your family and friends very much and we will miss you dearly. I will always love you.*
